About The Show

We are thrilled to welcome you all to the much-awaited launch of The Choco and Bake Show! Today, we are here to share with you the exciting details of what promises to be an unforgettable experience

The Choco and Bake Show is a one-of-a-kind event that brings together exhibitors from the chocolate and bakery industries to participate, connect and engage on an incredible journey. With the show, we have curated a program that is bound to leave you Inspired and Enriched

During The Show, you can look forward to:

Keynote Speakers: We have lined up an impressive roster of esteemed speakers who are experts in their fields. From industry leaders to motivational speakers, they will share their insights, experiences and perspectives to inspire and upgrade you.

Networking Opportunities: The Choco and Bake Show is the perfect platform to expand your business network. You will have ample opportunities to connect with like-minded professionals, build meaningful relationships and explore collaborations

Exclusive Launches: We have some exciting announcements and exclusive launches planned during the exhibition. Be the first to witness ground-breaking innovations, products, or services that are set to revolutionize the chocolate and bakery industry.

Awards: As a token of our appreciation, we have some awards for our attendees. Stay tuned for the chance to win exclusive goodies and experiences.

The Choco and Bake Show promises to be an extraordinary experience that will leave you inspired, energized and motivated. We can't wait to welcome you and make this Exhibition truly beneficial for exhibitors.

Message

Dr. VENKATESH N. HUBBALLI

Director of Cashewnut and Cocoa Development
Ministry of Agriculture and Farmers Welfare

“ It would be a pleasure to attend the Choco and Bake Show. It will be an incredible informative and valuable experience at their upcoming exhibition in Delhi. As this will bring together some of the best minds in the industry, and it will provide a unique opportunity for professionals to network, share ideas, and learn from one another. I recommend participating in this upcoming exhibition to those who are curious to expand their business. Whether you are a small business owner, a distributor, or a professional chef, you will find something of value at this event. It will be an excellent opportunity to learn, network, and discover partnerships with professionals for your business growth in the Chocolate and Bakery industry. I am already looking forward to attending this upcoming exhibition in the month of August. ”

Show Focuses On

Bakery Equipments Manufacturers: The Choco & Bake Show provides an opportunity for Bakery Equipments Manufacturers to build their businesses and make deals across the industry with professionals. They help in increasing demand in the Market, leading to increase sales and revenue for their products and services.

Confectionery Products: We provide an opportunity to brands for marketing, product showcasing, as well as networking and gaining insights into the industry's latest trends and innovations. The companies can also lead to new business partnerships and collaborations.

Chocolate Machinery Manufacturers: For Chocolate Machinery Manufacturers, it is the perfect platform to launch the latest innovation and their latest technologies in our Exhibition, we will provide a proper stand to exhibit services so they can gain trust in the business market.

Bakery Machinery Manufacturers: The Bakery Machinery Manufacturers can build partnerships with suppliers and other needier which help them to have a good network with industry professionals to gain valuable insights into the latest market trends and demands.

Dairy Product Manufacturer: This trade show can benefit dairy product manufacturers as we provide a platform to showcase their quality products to potential buyers, distributors, and industry experts. This can increase brand recognition, networking opportunities and potential partnerships.

Show Focuses On

Ingredients & Flavours: As we are leading to the chocolate and bakery products in our B2B Exhibition, how can we miss adding flavour and other components? This is the fabulous time to collaborate with top brands, show your ingredients to the world, take advantage and spread your business across the industry.

Food Processing Machines Supplier: This Exhibition can benefit food processing machine supplies as we provide a platform to speak with industry leaders, potential buyers and experts. This will help to get a perfect investor for your business and build good partners. It also provides a platform for the supplier to demonstrate the capabilities and features of their machines.

Cold Room and Refrigerator Appliances: As Cold Rooms and Refrigerators are essential appliances for the Chocolate & Bakery Industry, they help to preserve the freshness and quality of perishable ingredients like dairy products, fruits, and vegetables. Our Exhibition is the best platform to collaborate with known brands and be a partner and grow your business faster as much as you haven't imagined.

Packaging: They ensure that baked goods are protected from external elements like dust, moisture, and air, preserving their freshness and quality. As Choco and Bake Show is the perfect platform for those business holders of Packaging manufacturers who don't need to look outside. They can grow their business inside the industry by participating in the trade show, and they get good Market and export services.
